PART I.

IMPORTANT GOVERNMENT ORDERS.

CHIEF SECRETARIAT.

From

N. MADHAVA RAO, Esq., B.A., B.L.,

Chief Secretary to the Government

of His Highness the Maharaja of Mysore.

To

P. G. D'SOUZA, Esq., B.A., B.L.

Revenue Commissioner in Mysore,

Bangalore.

Sir,

I am directed to invite your attention to the instructions previously issued in the orders noted in the margin in regard to the work of Village Panchayets. To ensure that improvements in Village Panchayets are carried out according

1 No. L. 5091-5144—L. B. 26-26-144, dated 31st January 1927.

2 No. L. 3024-31—L. B. 26-26, dated 12th November 1926.

3 No. L. 720-88—L. B. 32-26-24, dated 20th January 1927.

4 No. L. 3125—L. B. 26-26-88, dated 12th November 1926.

to some definite plan, it is necessary to keep steadily in view the more important items of improvement and pay particular attention to them. As far as possible, every village should possess (1) a good drinking water well, (2) a place for dumping manure, (3) a small guest house for the stay of local officers and travellers, and (4) a *Chavadi* for holding the Village Panchayet meetings. The practice of dumping manure near the Adikarnataka houses should be severely discouraged. Thatched houses and the construction of new houses out of alignment with the existing roads should be discouraged.

The necessity of making the Village Panchayets really efficient bodies and of making villagers give half a day's labour once a week for works of Village Improvement should be impressed upon local Revenue Officers.

I am to request you to issue necessary instructions to the Deputy Commissioners in the matter. Special reference should be made in the quarterly statement of progress of the work carried out in these directions.

I have the honour to be,

Sir,

Your most obedient servant,

N. MADHAVA RAO,

Chief Secretary to Government.
